Shipping via Fed-Ex or UPS

¹ Using TEVC Fed-Ex/UPS account: TEVC pays cost of shipping, extra cost is applied to collection fee. Fee subject to change based on fluctuations in cost of shipping.

² Using MARE OWNER’s Fed-Ex/UPS account or Credit Card (new option): owner pays cost of shipping directly to Fed-EX/UPS.

³ Shipping via airport: research on available flights that work for TEVC and courier, as well as receiving farm/vet must be done prior to shipping. Collection must be scheduled around the chosen flight. Cost of shipment via airport plus additional work/planning required, applied to collection fee.
